

ATTENTION!

DUE TO **EXTREME FIRE DANGER** THE FOLLOWING RESTRICTIONS & REQUIREMENTS ARE IN EFFECT FOR SHELDON AND HART MOUNTAIN NATIONAL WILDLIFE REFUGES UNTIL FURTHER NOTICE

FIRES, STOVES, SMOKING, other BURNING and EQUIPMENT:

- **PROHIBITED:** Campfires, wood stoves, smoker fires, including charcoal briquette fires and portable braziers are prohibited on Sheldon National Wildlife Refuge and Hart Mountain National Antelope Refuge.
- **PERMITTED:** Liquefied and bottled gas stoves and heaters, and generators with an approved spark arrestor within an area at least 10 feet in diameter and barren of all flammable material.
- **PROHIBITED:** Smoking outside, except in areas barren of all flammable materials at least 6 feet in diameter, or in a vehicle.
- **PROHIBITED:** Power saw operations.
- **PROHIBITED:** Welding equipment, including acetylene or open flame torches.
- Spark arresting devices must be properly installed and maintained on all internal combustion engines.

MOTORIZED VEHICLES:

- Due to extreme fire danger, select roads on Sheldon and Hart Mountain Refuges have been closed due to hazardous conditions.

Vehicles are permitted only on roads where flammable vegetation and debris does not come in contact with the vehicle undercarriage.

- Vehicles are prohibited on roads marked as closed and on roads in which flammable vegetation or debris may contact the vehicle undercarriage. Be aware of Road Closed signs and Avoid Hazardous Road Conditions such as those shown below:

- Vehicles may only drive on roads in which vegetation does not contact the vehicle undercarriage:

- Vehicles must be parked in an area barren of flammable material, including vegetation (this includes all-terrain vehicles, motorcycles, cars, pickups, etc.)
- **All** motorized vehicles **must** carry the following equipment:
 - A shovel not less than 26 inches in overall length, with a blade not less than eight inches wide;
 - one water container of at least one gallon in size filled to capacity **or** a 2.5 pound fully charged fire extinguisher;
 - Axe **or** Pulaski with a handle at least 26 inches in length and a head weight of not less than two pounds.
- It is prohibited to operate any type of motorcycle or all-terrain vehicle not equipped with an approved and fully-functioning spark arrestor.
- Due to extreme fire danger, the following areas on Sheldon National Wildlife Refuge require extreme caution while recreating or traveling through or near the areas:
 - Catnip Mountain
 - Badger Mountain

Members of the public are cautioned that failure to comply with these restrictions may result in criminal and/or civil penalties.
